DAILY DISCIPLINES FOR GREATNESS

DAY 1 - Read II Kings 2:1-14. If you could have a double portion of someone's anointing, who would be? What does it mean to have a "double portion" of someone's spirit?

DAY 2 - Read II Kings 4:8-17. Write down 5 adjectives that describe the Shunammite woman. Do these adjectives describe you? What do you believe made her a truly great woman at this time in history?

DAY 3 - Read II Kings 4:18-37. What has been your worst moment of pain? How was that moment of pain or tragedy impacted your relationship with the Lord? If you could go back and relive that moment, how would you respond differently?

DAY 4 - Read Proverbs 31. Make a list of the things that the Shunammite woman and the Proverbs 31 woman have in common. Now ... what do you have in common with both of them? What do you need to cultivate in your life in order to be more like these 2 great women?

DAY 5 - Read James 2:14-26 and Galatians 6:6-10. With what works are you backing up your faith? Do you feel that you are involved too much or too little in the work of God today? Take 5 minutes right now and pray that God would show you what you should be doing in the Body of Christ.

DAY 6 - Read I Timothy 6:6-19. Underline 3-4 verses that especially speak to you today. What does it mean to be a content person? Are you content?

DAY 7 - Read Psalms 11 & 12. Read it again. Underline a verse in each chapter that particularly speaks to you.
